TERMS AND CONDITIONS

Offer applies to balance transfers only and is valid beginning 1/1/2022 through 6/30/2022. Current UFCU credit card, or activation of a new credit card account, is needed before the balance transfer can be processed. If transfer information you provide is incomplete or incorrect, UFCU will not be able to process the transfer request. Existing UFCU credit card balances do not qualify. Please continue to make your minimum required payment(s) until the requested transfer payment(s) appear(s) on that account billing statement. UFCU is not responsible for any remaining balance on that account, or for any finance or other charges you may incur due to delays in transferring a balance. If you transfer an amount for a transaction you dispute, you may lose some or all your rights against the other creditor. UFCU can issue a check made out to your creditor. If you wish to close your accounts, please contact your creditor. We will not close the account for you. Account balance transfers are contingent upon account set up and assigned credit limit. In some cases, UFCU may not be able to process a balance transfer request. Points will not be earned on balance transfers. If you have more than 4 balances that you would like to transfer, please complete and return additional form(s). **Form(s) and statements can be submitted at any UFCU Branch or emailed to cardservices@ukrainianfcu.org.**
